RECIPE FOR SUCCESS FOUNDATION PARTNERS WITH HOUSTON ISD
TO HOST INTERNATIONAL FRUIT & VEGETABLE FESTIVAL IN SCHOOLS

EVENT
Recipe for Success Foundation teamed up with the Houston ISD Food Services Nutrition Team for the International Fruit and Vegetable Festival! Students travel through the world of fruits and vegetables to learn not only the origin of each food, but how each tastes and the value of eating fresh fruits and vegetables daily.

Studies show that children establish food attitudes and eating behaviors by age 11. By introducing students to a variety of produce through fun, interactive activities, Recipe for Success Foundation and Houston ISD strive to encourage consumption of fruits and vegetables and create a culture of healthy eating district-wide.

The event aligns with Recipe for Success Foundation's efforts to combat childhood obesity by changing the way our children eat. Currently in 27 sites, including 10 HISD elementary schools, the Foundation’s Seed-to-Plate Nutrition Education™ programs have taught over 20,000 children how to grow, cook and enjoy nutritious foods, empowering them to make a lifetime of healthy eating decisions.
