Since 2005, the Recipe for Success Foundation, formed by Gracie & Bob Cavnar to combat childhood obesity and mobilize the community to provide healthier diets for children, has created and delivered programs to empower more than 30,000 Houston children with the knowledge and skills they need to lead healthier lives. Through award-winning efforts like our nationally-offered Seed-to-Plate Nutrition Education™ in schools, Eat It! Food Adventures children's cookbooks, Farmers MarKIDS Days, the annual VegOut! 30-Ways in 30-Days Challenge and the Hope Farms urban agricultural project, the Foundation works to make healthy food appealing and available to everyone and inspire a culture where healthy is the norm and nutritious food is shared, appreciated and celebrated.
